PROJECT EXPERIENCE

TEAM ASSIGNMENTS & COLLABORATIVE PROJECTS | 2025 - PRESENT

- Collaborated on team-based software and web application assignments using Git and Agile workflow.
- Contributed to a Cafe POS system covering order, kitchen, payment, and coupon management.
- Developed a Number Guessing Game application with random number generation, user input handling, and score tracking features.
- Created a To-Do List application with task creation, update, delete, and completion management functionality.

SOFTWARE & WEB DEVELOPMENT PROJECTS | 2024 - 2025

- Built a calculator website using HTML, CSS, and JavaScript.
- Developed social media platform practice projects to strengthen frontend skills.
